## Services Provided

USU Eastern—Price campus offers a vast number of courses and training in a variety of short-term and long-term credit-based programs. In addition, non-credit, personal development, and customized training is available through the division's Center for Workforce Development.

### Credit-Based Programs:

- Police Officer Standards & Training (POST)
- Certificates of Proficiency (16–18 cr.)
- Certificates of Completion (32–37 cr.)
- Associate of Applied Science (63–69 cr.)
- Associate of Science or Arts (60–64 cr.)

- Associate of Science in Business (ASB)
- Bachelor's degree in various subjects
- Master's degree in various subjects
- PhD. in Education

### Non-Credit Training & Other Services:

- College and Career Readiness
- Custom Fit Training
- Internships
- Mining Education
- Small Business Development Center (SBDC)
- Aggie Center for Enrichment
- Electrical Apprenticeship

## Eligibility Criteria/Applications

**Admission Standards:** Students are expected to have graduated from a regionally accredited high school. A GED may be used in place of a high school transcript. Students who are accepted and attend USU Eastern are automatically accepted into Utah State University, and there is no need to transfer if you plan to attend another campus within the USU system.

### Credit-Based Admission Requirements:

- A one-time, non-refundable application fee (\$50)
- High school transcript or a GED® score
- ACT or SAT score or other placement exam
- Past College/University transcripts, if applicable

- Complete SOAR after admission (Student Orientation and Registration)
- Meet with an Advisor

Note: Students wishing to study Cosmetology, Nail Technician, POST or Nursing must meet program-specific admission requirements

### Noncredit-Based Admission Requirements:

- A one-time, nonrefundable application fee (\$40)
- High school transcript or a GED® score
- Complete a non-credit application available through Center for Workforce Development (CWD)
